Refresher Program:

This program reviews and assesses the skills and knowledge introduced in an Apply first aid HLTFA301B course.

Refresher program Pre-requisite:

An Apply first aid credential or recognised equivalent (not achieved in a 'refresher' format) achieved within the last 3 years.

A revision workbook is issued at the time your course booking is confirmed. It is strongly recommended that you complete this workbook and bring it with you on the day of the course

Due to the dynamic and ever changing nature of first aid, St John permits attendance at only one (1) Refresher program between two (2) full Apply first aid courses. The performance criteria assessed

during this program directly correlates to the performance criteria of Apply first aid HLTFA301B
Flexible Learning 1 Day Practical Skill Workshop: St John now offers the Nationally Accredited 'Apply first aid' credential through flexible learning options. Obtain your First Aid credential by completing some study on your own, using a Learner Guide Workbook or a CD-ROM, at a time, place and pace that suits you. Then simply attend a one day workshop covering the practical aspects of the course and assessment.

Flexible Learning—Minimum entry standard:

How does Apply first aid (flexible learning option) work?

Flexible learning allows you to choose your preferred learning method and combines a number of different options to make learning easier for you. Choose either Learner Guide Workbook or CD-ROM.
