

# Asthma in the Workplace

2 hours

The course gives you the confidence, knowledge and skills to recognise and manage an asthmatic reaction including the use of the asthma inhaler.

---

## Certificate:

On successful completion of this course you will be issued a Certificate which is a statement of attainment in:

- 22282VIC – Course in the Emergency Management of Asthma in the Workplace

St John recommends, in line with Australian Resuscitation Council guidelines and Safework Australia's First Aid in the Workplace Code of Practice, recommend that first aid skills are renewed at least three years and CPR skills are renewed (HLTAID001) every 12 months.

---

## Course Outline:

This course covers the following

- Asthma signs, symptoms and triggers
- Asthma medications and devices
- Asthma action plans
- Asthma risk management planning for the workplace
- Hands-on-practice in using Asthma inhalers
- Asthma first aid management

Assessment is through a combination of practical first aid activities and a written test paper. You will be required to demonstrate CPR on a manikin on the floor.

---

## Entry Requirements/Prerequisites

There are no entry requirements or prerequisites to undertake this training.

---

## Course duration

2 hours of training and assessment

---

## Locations

St John delivers first aid courses in more locations in Australia than any other training provider. St John also offers a number of first aid courses online through a mixture of e-learning, DVD or workbook formats together with some practical face-to-face training.

Choose from our range of training products to suit your needs:

- Public - at a venue near you.
- Onsite - at a venue of your choice.
- Customised - On-site consultation.
- Online – online training via our E-Learning platform.

---

## Delivery by RTO Partners

St John Ambulance Australia courses may be delivered by way of partnership agreements (e.g. with state/territory St John Ambulance organisation). These partners have an agreement in place and is authorised to deliver training on behalf of St John Ambulance Australia Inc. (RTO 88041).

A list of the partners' contact details is available at [www.stjohn.org.au](http://www.stjohn.org.au) or via 1300 ST JOHN.

---
