

PARAMEDIC OF THE YEAR 2017

Caitlin Little

Caitlin grew up on a dairy farm in country Victoria, she started her career as a paramedic with Ambulance Victoria in the beautiful Gippsland. Caitlin made the move to Alice Springs after wanting to gain some remote experience. She intended on staying for 1-2 years however she fell in love with the Territory lifestyle and the rest is history. Caitlin loves coming to work in Alice Springs and being surrounded by the amazing landscape. Caitlin says "I enjoy my job as no two patients are ever the same and I get to meet a vast array of people from all different and unique backgrounds. I spend my free time exploring central Australia and love being outdoors."
