

Education and Care First Aid with PFA

This course specifically designed to meet the needs of people working in the childcare and early childhood learning industry. It is tailored towards anyone working with children. It covers child-specific first aid in high-risk conditions such as anaphylaxis and asthma, and common injuries and resuscitation.

COURSE DURATION:

St John offers the following option:

- 1 day (face to face workshop with prework): This is face to face course and with online prework. Participants are required to undertake online e-learning module prior to attending the face-to-face workshops for practice and assessment. Participants are required to undertake online e-learning module prior to attending the face-to-face workshops for practice and assessment.

CERTIFICATE:

On successful completion of this course, you will be issued a statement of attainment in:

- **HLTAID009** Provide cardiopulmonary resuscitation
- **HLTAID010** Provide basic emergency life support
- **HLTAID011** Provide First Aid
- **HLTAID012** Provide First Aid in an education and care setting

St John recommends, as per the First Aid in the Workplace Code of Practice and the Australian Resuscitation Council guidelines, that first aid skills are renewed every 3 years and resuscitation skills (**HLTAID009/HLTAID0015**) are renewed every 12 months.

COURSE OUTLINE:

This course covers the following:

- CPR techniques on infants, children, and adults
- DRSABCD action plan
- Managing the unconscious breathing casualty
- Incident reporting in a childcare setting
- Using AED's on adults and children
- Allergic reactions and anaphylaxis
- Asthma and breathing difficulties
- Managing medical conditions such as epilepsy
- Managing shock, seizures, bites, stings
- Head, neck and spinal injuries
