

St John

Provide First Aid 2-day Course

The flagship St John Ambulance first aid course covers a comprehensive range of topics to enable participants to confidently manage emergency situations and provide a first aid response to a casualty. It covers the most common first aid injuries and illnesses.

It is suitable for both people in the workplace and members of the public who want training in first aid.

COURSE DURATION:

St John offers the following option:

- 2 days face to face workshop: This is full face to face course and participants are required to attend both the days.

CERTIFICATE:

On successful completion of this course, you will be issued a statement of attainment in:

- **HLTAID009** Provide cardiopulmonary resuscitation
- **HLTAID010** Provide basic emergency life support
- **HLTAID011** Provide First Aid

St John recommends, as per the First Aid in the Workplace Code of Practice and the Australian Resuscitation Council guidelines, that first aid skills are renewed every 3 years and resuscitation skills (HLTAID009/HLTAID0015) are renewed every 12 months.
