If you are a workplace, you are responsible for ensuring that you comply with the NT WorkSafe's *First Aid in the Workplace Code of Practice*.

The Code of Practice on first aid in the workplace is an approved code of practice under section 274 of the Work Health and Safety (National Uniform Legislation) Act 2011 (the WHS Act).

The approved code of practice provides practical guidance on how to achieve the standards of work health and safety required under the WHS Act and the Work Health and Safety (National Uniform Legislation) Regulations 2011 (the WHS Regulations) and effective ways to identify and manage risks. For more information, please visit: [First aid in the workplace | NT WorkSafe](#)

Please remember to include your customer details on all forms.
